

Dear AOOPA and GOGA Members and Supporters,

We are happy to announce that AOOPA has partnered with the Georgia Olive Growers Association (GOGA) to bring the AOOPA Annual Member Meeting and Georgia Olive Growers Association Conference to the Southeastern area growers in 2019. The meeting will be held on Jekyll Island in Georgia! Please join us for this wonderful opportunity to learn about the future of our industry and meet fellow olive oil producers throughout the U.S. and industry representatives. Presentations will be given on the state of the industry, AOOPA's objectives, federal policy and regulations, as well as research and orchard management trends. The 2019-2022 AOOPA Board of Directors will also be announced at the meeting. Information regarding the nomination and voting process will be sent to members.

There are several sponsorship opportunities available for individuals and companies that support the olive oil industry. AOOPA appreciates your support and consideration of becoming a Platinum or Gold sponsor. Trade show space is also available to showcase your company's products or services to olive oil producers from across the US. Contact Stephanie Carter, Industry Relations Manager, at 559-472-7838 or [industryrelations@aoopa.org](mailto:industryrelations@aoopa.org) to learn more about sponsorship packages and exhibitor rates.

The Westin on Jekyll Island in Georgia is offering an incredible group rate of \$159/night plus tax for an island view room or \$179/night plus tax for an ocean view room.
